PREMIUM AUDIO

Infinity was founded in 1968 by three aerospace engineers using advanced technologies in the pursuit of perfect sound. That's why Infinity remains committed to challenging the status quo and pushing sound further than it's ever gone before.

Infinity breaks barriers with leading edge technology and unconventional materials so you can hear the future.

ENGINEERED FOR THE ULTIMATE SOUND EXPERIENCE

# CAR SPEAKERS

Since the birth of premium car audio in the 1970's, Infinity has been there, leveraging its groundbreaking engineering expertise in transducer design to bring high-fidelity to the automobile. The 2025 lineup of Infinity Speakers is our best yet!

# KAPPA SUBWOOFERS

## Car Audio Subwoofers

### SERIES FEATURES

The Kappa Series subwoofers feature SSI™ (Selectable Smart Impedance), a HARMAN-exclusive impedance selector, that lets you choose a 2- or 4-ohm impedance at the flip of a switch. Our proprietary aero-cooling design keeps the voice coil cool while optimizing power handling and long-term reliability. And, the acoustically damped glass-fiber cones have been engineered to minimize distortion and unwanted artifacts. More performance. More flexibility. You get both when you step up to a Kappa subwoofer.

- SSI™ (Selectable Smart Impedance)
- Oversized aero-cooled voice coil
- Acoustically damped glass-fiber cone
- Premium screw-down terminals

12" SUBWOOFER W/SSI™ - 500W RMS / 2000W PEAK

# REFERENCE & PRIMUS SUBWOOFERS

## Car Audio Subwoofers

### SERIES FEATURES

Reference woofers deliver enhanced efficiency and higher output. Infinity uses progressive spiders to provide the best possible control at the excursion limits versus much more commonly used linear spiders. The benefit is a far more controlled woofer stroke with considerably tighter bass characteristics.

- SSI (Selectable Smart Impedance) (Reference)
- High-roll Sound
- Long Excursion Design
- Contoured Cone for More Rigidity
- Light-weight Cone for Faster Response
- More Excursion for Deeper Bass

#### PRODUCT MODELS LISTED:

INFSUBRF103W	10" SUBWOOFER W/SSI™ - 250W RMS / 1000W PEAK
INFSUBRF123W	12" SUBWOOFER W/SSI™ - 275W RMS / 1100W PEAK
